

# LHD Cable Accessory - Clip “P” (ACA-CP) Alarmline II Series

## Overview

The ACA-P series “P” clip is designed to secure LHD (linear heat detection) sensor cable. Every clip is supplied with a silicone pad. The pad protects the cable from mechanical damage and insulates it from the clip to protect it against heat transfer between the mounting surface and the sensor cable.

## Installation

Recommended spacing: 1m.

## Standard Features

- Easy installation of linear heat cable
- Available in aluminium or stainless steel
- Available in quantities of 25 or 100
